REPORT

OF THE

IRISH LAND COMMISSIONERS

FOR

THE PERIOD FROM THE 1st OF APRIL, 1901, TO THE 31st OF
MARCH, 1902.

TO HIS EXCELLENCY GEORGE HENRY EARL CADOGAN, K.G.,
LORD LIEUTENANT-GENERAL AND GENERAL GOVERNOR OF IRELAND.

WE, the Irish Land Commissioners, beg to submit to your Excellency this Report of our proceedings during the period from the 1st April, 1901, to the 31st March, 1902.

JUDICIAL RENTS.

During the year covered by this Report seven Sub-Commissions were at work throughout the country in the disposal of applications to fix fair rents.

The number of Originating Notices to fix Fair Rents disposed of, during the period stated, by the Commissioners as a Court of first instance, principally on consent, was 1,698; by the Sub-Commissioners 11,869; and by the Civil Bill Courts, as appears by returns furnished by the Clerks of the Peace, 532, as follows:—

For a First Statutory Term.—By the Commissioners, 456; by the Sub-Commissioners, 2,844; by the Civil Bill Courts, 174; total, 3,474.

For a Second Statutory Term.—By the Commissioners, 1,237; by the Sub-Commissioners, 9,025; and by the Civil Bill Courts, 358; total, 10,620.

Thus, during the year, the entire number of Fair Rent Notices notified as having been disposed of was 14,094.

The entire number of such applications disposed of both by Land Commission and Civil Bill Courts from the date of the passing of the Land Law (Ireland) Act, 1881, to the 31st March, 1902, was as follows:—for a first statutory term, 264,075; and for a second statutory term, 58,785.

The number of Fair Rent Notices awaiting bearing by the Land Commission on the 1st of April, 1901, was, for a first statutory term, 5,478; and for a second statutory term, 15,840—Total, 21,318; and our Records showed an arrear—of undisposed of cases in the Civil Bill Courts—of 4,442 for a first statutory term, and 1,127 cases for a second statutory term—Total, 5,569. Total for Land Commission and Civil Bill Courts, 26,887.

6,240 direct applications were made to the Land Commission to fix Fair Rents since 1st April, 1901, of which 1,640 were for a first statutory term, and 4,600 were for a second statutory term. In the same period 1,318 applications were made to the Civil Bill Courts, of which 587 were transferred to the Land Commission. Of the applications so made there were 368 first statutory term applications, of which 156 cases were transferred to the Land Commission in the year, and 950 applications

Judicial rents have been fixed during the year by us on the reports of Court Valuers in 205 cases for a first statutory term, making a total of 1,865 of such cases in which Judicial Rents were so fixed up to the 31st of March, 1902; and Judicial rents were similarly fixed by us in 343 cases for a second statutory term, making a total of 831 of such cases for a second statutory term up to the 31st of March, 1902. These figures include cases where the proceedings to fix rents on the reports of Court Valuers were taken under our Rules of the 9th November, 1898.

Originating agreements and declarations for a first statutory term have during the year been lodged under the provisions of the 8th Section of the Land Law (Ireland) Act, 1881, in 2,313 cases, of which 2,309 were lodged in the Land Commission, and 4 were lodged in the Civil Bill Courts.

The total number of such agreements to fix fair rents for a first statutory term lodged, since the passing of the Act of 1881, up to the 31st March, 1902, was 142,428.

During the year 3,491 originating agreements and declarations for a second statutory term were lodged, of which 3,490 were lodged in the Land Commission and 1 in the Civil Bill Court.

The total number of such agreements for a second statutory term lodged to 31st March, 1902, was 82,446.

During the year 215 agreements between landlords and tenants under the 17th section of the Land Law (Ireland) Act, 1881, were lodged in the Land Commission, making a total, with those lodged previously, of 3,381.

In the Appendix we give particulars of the results of decisions during the year in applications to the Land Commission and Civil Bill Courts respectively to fix the True value of Tenancies pursuant to the provisions of Section 1 (3) of the Land Law (Ireland) Act, 1881, and also of decisions by us during the same period in such cases on Appeal.

The total number of judicial leases executed since 1881 has been 158, and the number of fixed tenancies sanctioned 45.

During the year there were not any proceedings taken under the 40th Section of the Land Law (Ireland) Act of 1881 to nominate arbitrators to fix the amount of the Judicial Rent. Since 1881 judicial rents have been fixed by this method in 33 cases.

During the year the number of leaseholders who applied under the provisions of the Land Law (Ireland) Act, 1887, direct to the Land Commission was 100, and to the Civil Bill Courts 26; 21 applications were also made to the latter Courts during the same period to fix judicial rents in cases where ejectments were pending, pursuant to the provisions of sec. 6 of the Act referred to.

The total number of fair rent applications from leaseholders and grantees who have applied under the provisions of the Act of 1887, and under the Redemption of Rent (Ireland) Act, 1891, up to the 31st March, 1902, is 36,063, and of these applications 85,875 have been disposed of.

The entire number of rents fixed under the Land Law Acts by all the methods enumerated to the 31st March, 1902, for a *first statutory term*, was 388,843 (excluding judicial leases and fixed tenancies). The total rental dealt with was £6,877,248, and the aggregate judicial rent fixed in respect thereof was £5,439,575, the result being an average reduction of 20·9 per cent. over the entire country. The number of such cases struck out, withdrawn, or dismissed was 67,698. The total number of such cases disposed of during the period from August, 1881, to 31st March, 1902, was therefore 406,541.

ADVANCEMENT OF RENTS	

The entire number of rents fixed to the 31st March, 1902, for a *second statutory term*, was 79,606; these include some cases where leaseholders had a fair rent previously fixed for a first statutory term. The total rental in these cases for the first statutory term was £1,294,875, and the aggregate judicial rent fixed in respect of the same for a second statutory term was £1,011,789, the result being an average reduction of 21·8 per cent. on first-term rents. The number of such cases struck out, withdrawn, or dismissed was 11,623, of which many were struck out in the office, the applications to fix the rent for a second statutory term having been prematurely made.

PURCHASE OF LAND ACTS.

PROCEEDINGS UNDER ACTS OF 1885 AND 1898.

Proceedings under these Acts were practically completed prior to the 31st March, 1900, when all applications had been disposed of, and we refer to the Report for the year then ended, in which we stated that the total number of applicants for loans under these Acts was 29,179, and the amount applied for £11,452,066; 3,811 applications for £1,459,426 had been withdrawn or rejected for reasons explained in former reports.

Part pay-
ment of
purchase
money.

In 393 of these cases the purchase money in excess of the advances was provided by cash payments amounting to £131,401, and by mortgages to the amount of £38,897. In 143 cases the tenants lodged the Guarantee Deposits, the amount so lodged being £92,648.

Reversion of
Purchase
Annuities.

Up to the 1st November, 1901, the yearly annuities payable by 14,297 purchasers under the Act of 1885 have, pursuant to Section 25 of the Act of 1896, been reduced. The annuities of those whose instalments have all been paid within the prescribed time are reduced by £10 3s. 9d. per cent. at the end of each decade on the annuity as previously payable. The Section did not come into operation as regards advances under the Land Purchase Acts, 1891-1896, until the 1st of May last, when it was applied to a few of the earlier cases. Where the advance has been made since the passing of the Land Law Act, 1896, calculations which have been made show that the reduction will amount to £14 5s. 6d. per cent. at the end of the first decade. (H. of C. Return. No. 186—1902.)

Guarantee
Deposits.

The total amount of Guarantee Deposits, as shown on our annual account as having been lodged or retained under the Acts of 1885 and 1888, is £1,996,207 2s. 11d. Of this amount £18,410 19s. 9d. has been repaid to the parties entitled thereto, the tenant purchasers liable for the payment of the advances having repaid on account of principal money sums amounting thereto, and £554,118 13s. 9d. has, pursuant to the provisions of Section 29 (3) of the Act of 1896, been paid out of such Deposits to the persons entitled, representing amounts equal to the portions of the advances which were ascertained to have been repaid at the end of the first decade. £4,713 3s. 8d. has been applied in discharge of arrears of instalments declared, pursuant to the provisions of the Act of 1885, to be "irrecoverable." A balance of £1,418,964 6s. 9d. on the 31st March, 1902, remained as Guarantee Deposits, of this amount, £271,191 2s. 2d. has been invested, on the application of the parties interested, in securities, as provided by the 10th section of the Act of 1887, and thus remained at that date the sum of £1,147,773 4s. 7d., the greater portion of which was with the National Debt Commissioners, the balance being in our hands.

Connaught	1,348	"	176,893
Munster	1,066	"	453,760

Applications
refused.

Applications in 365 cases for £69,761 were refused for insufficiency of security and other reasons during the year.

Loans
sanctioned
and issued.

We have provisionally sanctioned during the same period 5,849 applications for £1,886,670, and 6,686 loans have been issued for £1,774,151.

Advances
40th Sec-
tion.

During the year loans were also applied for, sanctioned, and issued in 1,169 cases, to the extent of £276,589, to enable tenants to purchase their holdings in cases in which the estates had been inspected and reported upon by us on the request of the Land Judge pursuant to the provisions of the 40th Section of the Land Act of 1896, and the 6,686 loans for £1,774,151 so issued included 1,502 loans for £462,766 to tenants who had purchased their holdings direct from the Land Judge. The Land Commission in such cases completed the sales.

Advances
Congested
Districts
Board.

Ten applications for advances, amounting to £63,316, were received from the Congested Districts Board, and advances were issued within the year under the provisions of Section 43 (1) of the Land Act of 1896, for the purpose of enabling that Board to purchase estates for the benefit of the Congested Districts, as well as under Section 2 of the Congested Districts Board (Ireland) Act, 1899, for the redemption and discharge of superior interests and incumbrances charged on estates so purchased.

Guaranteed Land Stock, amounting to £29,982, on leases by the Congested Districts Board, to 421 tenants, was issued and written off the liability of the Board, pursuant to Section 43 (s. 4) of the Land Act of 1896, by cancellation of Stock previously issued under the provisions of s. 1 of the same Section.

105, 101

With reference to the paragraphs in our last Report to the effect that the advances already made for the purchase of Holdings in the County Wexford had approximated to the capitalised share of that County in the Guarantee Fund established under the Act of 1891, but that we were subsequently authorized to make advances in that County up to £922,000, that limit having proved insufficient, advances have been authorized for the County in question up to the amount of £1,200,000. In connection with this matter a Return showing, with other particulars, the shares of the Counties in the Guarantee Fund was laid before Parliament in August last, and a copy of it appears in the Appendix to this Report for future reference.

Limit of advances.

Since the passing of the Act of 1891 to the 31st March, 1902, we have received altogether 44,544 applications, but after consolidating cases where more than one application had been received from the same applicant the revised number of such applications is 44,482, and the amount applied for £12,947,279; of these 2,888 for £783,968 have been refused for defects in the vendor's title, irregularity, insufficiency of security, and other causes. The total amount which has been provisionally sanctioned is £11,853,218 in respect of 40,747 applications, and of this amount we have issued during the same period 36,994 loans for £10,809,190, which, with advances in 83 cases for sums amounting to £420,042 made to the Congested Districts Board, pursuant to Section 43 of the Land Act of 1896, brings the total amount of Guaranteed Land Stock issued to £11,229,232.

Pending applications

The periodical return required by the 33rd Section of the Act of 1891 has been prepared for presentation to Parliament, setting forth in the prescribed form complete particulars of every case in which an advance has been made during the year ended 31st March, 1902.

Returns required by statute.

In the return, which will be found in the Appendix, the total amount of the advances is stated for which applications were received during the year (and which appeared to us likely to be sanctioned) in respect of each county in Ireland for the purchase of holdings, the rental of which respectively exceeded, or did not exceed, a rental of £50.

Guarantee
Deposits
released.

We have released, on applications made pursuant to the provisions of Section 29 (2) of the Land Act of 1886, Guarantee Deposits amounting to £291,341. In some instances we were unable to make the order sought, not being satisfied that sufficient reason existed for dispensing at present with the security afforded.

Advances
for purchase
of holding
subject to a
rent charge.

Since the passing of the Land Act of 1896 up to the 31st March, 1902, one application has been received under Section 36 of that Act for an advance for the purchase of a holding subject to a rentcharge.

REDEMPTION OF RENT ACT.

Proceedings
in purchase
cases under
Redemption
of Rent Act.

1,554 applications under the Redemption of Rent Act have been received since the passing of that Act up to 31st March, 1902, of which 30 have been received during the year. In 168 cases the landlord consented to the redemption of the rent. The total amount of the prices fixed in 97 cases, on 58 estates in which we made orders for redemption, was £110,069, in respect of a total rental of the holdings, as stated in the applications, of £7,966 11s. 7d., and the total advances sanctioned in respect of the prices so fixed was £98,394. In 57 cases the applications for redemption were refused, and 14 cases have not been adjudicated upon.

Proceedings
in fair rent
cases under
Redemption
of Rent Act.

Out of the total number of applications received under this Act, the landlords did not consent to the redemption in 1,380 cases, and consequently the lessees or grantees were, as the Statute and Rules provide, deemed to have made applications, as if they were leaseholders under the Land Act of 1887, to have a judicial rent fixed; and in 6 cases where applications have been received the time to consent has not yet expired.

Number of
Judicial
rents fixed.

In 908 of such cases judicial rents have been fixed, in these cases the former rental was £57,778, the judicial rental amounts to £43,432, showing an average reduction of 24·8 per cent. 268 applications have been dismissed or struck out, and 77 have been withdrawn; thus 127 cases await hearing.

PROCEEDINGS UNDER THE LANDED ESTATES COURT ACT; SECTION 40, LAND LAW (IRELAND) ACT, 1896.

Proceedings
under Sec.
40, Land
Act, 1896.

During the period from the passing of the Land Purchase Act of 1896 up to and ending the 31st March last 252 requests had been received from the Land Judge under the 40th Section of that Act, and reports by two of our body were made upon 228 of such requests, respecting the prices at and the conditions under which the sales under the Land Purchase Acts of the holdings to the tenants on the estates referred to in the requests could properly be made. In 3 of the estates in which reports were made the estates were subsequently bought by the Congested Districts Board for Ireland by means of advances made pursuant to the provisions of Section 43 Act of 1896, the proceedings in 4 estates were cancelled by the Land Judge, and in 192 estates the Orders of the Land Judge directing offers to be made to the tenants on such estates were lodged with us, with the result that advances amounting to £815,712 have been made to enable 3,255 tenants upon 159 estates to purchase their holdings under the provisions of the Section. In 18 of the remaining 33 estates where the Orders were so lodged, the proceedings were in various stages towards completion up to date of this Report, and in 15 estates the proceedings under this Section were cancelled by the Land Judge owing to the tenants not having complied with the requirements of the offer made to them pursuant to said Orders.

GENERAL RESULT OF PROCEEDINGS UNDER PURCHASE ACTS.

General

proceedings

chase Acts
since 1881.

In the foregoing the general results have been given separately of our proceedings under the Acts of 1885 and 1891, but taking the aggregate of all proceedings under the Land Purchase Acts since 1881 up to 31st March, 1902, the general result has been as follows:—

PAYMENT OF PURCHASERS' INSTALMENTS.

On the 1st November last, the total amount payable in respect of advances under the Act of 1885 for the half-year's interest and instalments which had then become due to us, including arrears amounting to £7,569 unpaid on that date, was £193,614 payable by about 25,280 payers. Of this amount £181,992 had been paid on 31st March, 1902, by 23,897 payers, leaving £11,622 due by 1,383 purchasers. Of this sum £1,094 was due by 98 persons who owed more than one instalment. The £11,622 in arrear on the 31st March had been reduced on the 9th instant to £2,211, due by 324 purchasers.

Payment of
instalments
Act of 1885.

With regard to the payment of the instalments payable under the Purchase of Land Act, 1891, the amount receivable on the 1st November last, from 84,108 payers, was £216,233; of this £216,418 has been received, leaving £820 due by 148 payers.

Act of 1891.

The holdings of 83 purchasers who made default in payment of their instalments were advertised for sale during the year. In 63 of such cases the sales were withdrawn, the arrears having been paid; in 17 cases the holdings were sold to ordinary purchasers subject to the future payment of the existing annuity; in 3 cases where there was no bidding at the sale, proceedings are being taken to obtain possession of the holdings pending re-sale. In 1 case, the result of previous proceedings, the holding is still in our hands for re-sale.

LOCAL REGISTRATION OF TITLE (IRELAND) ACT, 1891.

Notices in the prescribed form were lodged with the Registering Authority during the year for the purpose of having the titles of the tenant purchasers registered in 7,810 cases, pursuant to the provisions of Section 23 (1) (b) of the above Act.

Current
cases.

With reference to the registration of the titles of cases where the sales were completed before 1st January, 1892, 495 statements and applications have been prepared and sent to the parties for verification, 232 have been lodged with the Registrar, and in 81 cases the rulings and directions issued during the year and previously have been complied with. In 180 cases Land Certificates have been issued. 481 cases have been abandoned owing to the negligence of the applicants.

Past cases.

During the period since 1893, when Treasury sanction was first obtained to apply for registration in such cases, 6,606 applications have been sent to parties for verification, 5,034 applications have been lodged with the Local Registrars, and 4,484 Land Certificates have been issued.

8,482 copies of Land Certificates were issued free of charge to the Registered owners or their solicitors.

FINANCIAL.

The total amount of Loans issued in cash by the Land Commission since the passing of the Land Law (Ireland) Act, 1881, under the Land Purchase Acts and the Tramways and Public Companies Acts, up to 31st March, 1902, has been £19,254,641. The total amount of principal repaid by the borrowers has been £1,369,908 12s. 1d., the interest paid by them has been £3,531,941 12s. 5d.

The detailed statement is given in the Appendix. It excludes advances made under the Purchase Acts, 1891-1896, as the advances under these Acts are made in Guaranteed Land Stock, and amount to the 31st March, 1902, to £11,229,282, as previously stated; advances under the Arrears Act, 1882, are also excluded.

TEMPORALITIES OF LATE ESTABLISHED CHURCH.

Income and
Annual
labour on
Church
Fund.

The property of the late Established Church, which was vested in the Land Commission in 1881, produced during the year a total income of £591,674, including £168,139, the proceeds of sales of property and the redemption of income. Out of the sums so received, and the balance in hands from previous year, payments have been made during the year amounting to £537,940.

Statement
as to
Revenue
and Expen-
diture.

The normal annual income receivable, including terminable annuities for the present financial year, estimated on the 1st April, 1902, is £403,075, after allowing for reductions under Sections 3 and 6 of the Tithe Rentcharge (Ireland) Act, 1900. The fixed annual charges on the fund, with cost allowed for administration, taken on the same date, amount to £280,621, thus the income temporarily exceeds the annual expenditure by £122,454. Further particulars respecting the income and expenditure are shown in the Appendix.

By arrangement with the Treasury and the National Debt Commissioners, the surplus income is utilised from time to time in payment of debt by anticipating in the first instance bonds under the Arrears of Rent Act, 1882; £250,000 was so applied within the year.

Tithe Rent
Charge Act
1900.

The following are the results of the operations of Section 3 of the Tithe Rentcharge (Ireland) Act, 1900:—

The Annual Tithe Rentcharge on the Books of the Commissioners at 1st April, 1901, before reductions under this Section took effect, amounted to £128,888, payable by 12,570 persons—1,160 cases representing an annual income of 24,247 were excluded under the provisions of Section 8 from the benefit of the Act. In 3,750 cases involving an annual income of £20,829, the Statutory Declarations required had not been received from the payers or queries made upon their applications had not been discharged. In 14,060 cases covering an annual revenue of £133,812, the claims were established and the reductions amounted in all to £31,437, being an average of 23·5 per cent. on the income affected by the Act, or 194 per cent. on the total income from Tithe Rentcharge appearing on the Commissioners' Books at 1st April, 1901.

Declarations have been received in about 8,000 cases from Tithe Annuity payers in support of their claims under the provisions of Section 1; they, however, have not yet been fully examined, as in these cases the provisions of the Act only shorten the term for which the Annuity was originally fixed.

Arrears.

The amount of arrears due to the Fund at the 31st March, 1902, was £73,350. At a similar period last year the arrears were £83,723.

Decrease of
total
liability
since 1881.

By payments made since the property vested, the total liability, inclusive of charges imposed by the legislature since 1881, has been reduced to £5,771,500. The annuities of £30,000 for the Royal University, and £70,000 for the Department of Agriculture and Technical Instruction, which are not capital charges, have been paid as they became due.

The original debt of £9,000,000 for the purposes of the Church Act, and due to the Commissioners for the Reduction of National Debt, has been paid off.

Purchase by
Church
tenants.

Advances of Guaranteed Land Stock, amounting to £26,282, have been made under the Purchase Act of 1891, up to the 31st March last, to 66 tenants of the Church property to enable them to purchase their holdings.
